OFFICE OF
The Chairman, City Improvement
Trust Board, Bangalore.

Date 4th May 1956.

To

The Secretary to Government,
Education and Local Self Government Departments
Bangalore.

Sir,

Re:- Construction of 5 'B' type and 11 Twin Type Quarters at Jayamahal Extension, Bangalore.

I write to enclose herewith an estimate amounting to Rs.3,99,100/- together with the detail plans for the above work for favour of communicating sanction of Government to the same very early.

The report accompanying the estimate(in duplicate) explains in detail the necessity for the work and the nature of provisions made therein.

The estimate got up is as per instructions issued by the Chief Minister during his inspection of Jayamahal Extension on 20th January 1956.

A sum of Rs.4,00,000/- has been provided for, for construction of these quarters in the Current Year's Budget.

The estimate which was placed before the Board at its meeting held on 29th March 1956 approved the same, vide copy of the resolution No.542/48 dated 29-3-56, annexed herewith for favour of information.

As the work being urgent, tenders for the same are called for duly fixing the last date as 7th May 1956 in anticipation of sanction to the estimate which may kindly be communicated very early.

Yours faithfully,

(B.V. Lankappa)
Chairman.

Ksr.

Government Of Mysore

At present 2 'A' type, 4 'B' type and 10 'C' type Quarters for Minister and their staff are nearing completion in Jayamahal Extension. There are still a number of sites available in this layout. The Chief Minister during his inspection of the area on 20-1-56 was pleased to instruct that a ~~su~~ five more 'B' type quarters and some tenemental quarters for the security staff, be constructed. Accordingly the present estimate is got up.

The design proposed is the same as originally received from the Government Architect and approved by the Chief - - Minister also. The structure consists of lime concrete bed and stone masonry for foundation and basement, with cement concrete basement slab throughout. The superstructure is of Brick Masonry with necessary teak-wood doors and windows and other fittings as per plan. Cement concrete cills and R.C.C. lintels are proposed. The Roofing is of R.C.C. and cement concrete flooring of Standard specifications is also proposed. Other necessary items such as chunam plastering, cement plastering, cement pointing, white and colour washing etc., are all provided for in the estimate. The rates provided are as per sanctioned schedule of 1954-55.

For Compound wall, garage and Servants Quarters attached to each '3' type Quarters, lump sum provisions are made in the estimate the details being worked out during execution. Lump sum provisions are also made for Electric, Water Supply and Sanitary Fittings. The total cost of constructing 5 'B' type and 11twin quarter together with the cost of forming the approach road amounts to Rs.3,99,100/-.

Specific provision has been made for construction of these quarters, in the Budget estimate for the year 1956-57.

These buildings after completion will be handed over to Government, at their booked value, as in the case of the other buildings already constructed at Jayamahal.

The cost in the first instance will therefore be met by the Trust Board and then recouped from Government later.

Early sanction to the estimate is solicited.
